

Mr. George White

It is with great sadness that Rapides Fair Association dedicates the Premium Book to George White. Mr. White served as the treasurer of the Rapides Fair Association for over 25 years. His financial advice helped to make the fair what it is today.

Mr. White was an avid supporter of agriculture and a promoter of the 4-H program. He believed in the 4-H program and the benefits the youth could derive from their participation in 4-H.

In thanks for his contributions and service to the Rapides Fair Association we wish to dedicate the 2013 Rapides Fair Premium Book to George White.
