

Pesticide Disposal Pick-up

November 9, 2022

**LSU AgCenter Southeast Research Station (SERS)
41217 Bethel Road
Franklinton, LA 70438**

7:00 AM - 1:00 PM

Unwanted Pesticides will be collected for disposal at no cost to producers, applicators or homeowners. All pesticides will be accepted. Containers will be furnished for transport to the collection site if old containers are not in good condition.

Inventory sheets are strongly encouraged for planning. This helps the disposal contractor prepare for the amount of material that is being dropped off. Inventory sheets can be obtained from your local LSU AgCenter office. Inventory sheets should be returned to your local AgCenter office or Bryan Gueltig (bgueltig@agcenter.lsu.edu) prior to October 28, 2022.

This is a pesticide only disposal pick-up event.
Fumigants, waste oils, paints, and gasoline/diesel will not be accepted.

For additional information contact Girvus Johnson at 225-925-3763 or you may contact your local LSU AgCenter office.

**Sponsored by the Louisiana Department of Agriculture and Forestry
Commissioner Mike Strain, DVM**
