

St. James 4-H Record Book Form

6th-8th

This year, all 6th-12th graders are eligible to choose their own project book from the selections on this form. **All project books are \$5.00.** 4-Hers do not have to select a project book if they do not want one. Each of the project books we have available are hands-on learning tools with activities from the cover of the book to the back on many different topics. These project books will be collected on March 25, 2027 for judging. Project Book winners will be announced at Achievement Day. **Please fill out the information below and select 1 or more project books of your choosing and return this form to your school club leader or the 4-H Office by your October club meeting.** Remember, each book will cost \$5.00.

4-H Member Name: _____ Grade: _____

School: _____

Parent Name: _____ Parent Phone Number: _____
