

**Calcasieu 4-H
Outstanding Club Activity Award Form**

Complete this activity form to recognize your 4-H Club for outstanding achievement in community service and community study activities. All clubs that turn in an activity form will be recognized for their club's work if the standard is met. There is no specific number of activities a club must participate in to receive this award. Awards will be given based on each club's activities. Only one "Outstanding" will be awarded though.

Also, the club leader should write a one page essay summarizing the planning, execution, and outcome (what did the 4-Hers learn) of their major community service activities, community study activities or workshops.
